OFFICE OF LEGISLATIVE COUNSEL

Friday - 13 January 1978

- 25X1 1. [] FOIA I called and spoke with Ms. Diane Huffman, Staff Attorney, Subcommittee on Administrative Practice and Procedure, Senate Judiciary Committee, to inquire whether the Subcommittee would pose any objection to use of testimony by Acting DDCI before the Subcommittee on 16 September 1977 in the Government's amicus curiae in FOIA cases before the Court of Appeals. Ms. Huffman had no objection if a disclaimer were made that the information was extracted from the unofficial transcript, because the transcript has been edited, material added, etc. She said she would like to hear from the attorney preparing the amicus curiae for assurances that a footnote will be added that the material is taken out of context from a transcript not yet published officially.
- 25X1 2. [] LEGISLATION Met with Elliot Maxwell and Pat Norton, on the staff of the Senate Select Committee on Intelligence, to discuss the SSCI draft Title IV of the charter legislation (the CIA charter). 25X1 [] OGC, also attended. (See Memorandum for the Record.)
- 25X1 3. [] LEGISLATION Received a call from Ray Konan, in the Office of General Counsel at DOD, once again urging us to send him any written material on charter legislation which we had provided the Senate Select Committee on Intelligence. I assured him I would be sending it to him forthwith.

- 25X1 5. [] LIAISON Took a call from Carolyn Fuller, Legislative Aide to Senator Walter Huddleston (D., Ky.), who was to attend a briefing session today at Headquarters. She said because of the weather conditions she would not be able to make it. NFAC/CSS was advised.
